

Title: Intercultural Learning in Youth Works

Project type: Youth in Action Programme / Training Course

Promoter/coordinator: Gaziantep Training and Youth Association, TURKEY

Duration: 23.03.2009 – 30.03.2009

Actual stage: Finished

Summary: The training course is going to bring together potential partners for youth projects to share experiences on Intercultural Learning.

Objectives:

The main aims of this training course are:

- to promote ICL as a concept and a practical tool in youth works,
- to train youth workers, volunteers and community leaders in ICL – both theoretically and practically;
- to underline the importance of ICL in youth works;

- to foster future international youth projects with an ICL dimension;
- to link ICL to other areas of youth work;
- to exchange good practice in ICL and youth work and to promote the YOUTH Programme as a tool for ICL.

Target group(s): Youth organizations and institutions, youth workers and youth leaders.

Outcomes:

- workshops
- discussions
- interactive lectures
- simulation games
- role plays
-

Partnership: Participant countries were:

- Bulgaria
